The Most recent addition to the Storm Trailer Bluewater 07:00-15:30 15 Folks shaded in blue accepted the most recent assignment of Storm #5 on April 1st, 2025 - Anyone who declined that was not on Vacation, FML, or Bypassed for cause is sublect to being removed from the List depending on the situation. (This does not include anyone who did not answer when called) Management needed 3 trainers and one regular storm trailer worker for the two trailers they decided to open up. As a result of refusing his Storm Trailer assignment during this Storm Ricky was removed from the List. Supply Chain Management began a recanvass of the Bargaining Unit for the Storm Trailer in Late March of 2025 There are 14 volunteers currently listed for Dedicated Storm Trailer Assignments as a result of that canvass. DTE Energy's 48 Hour Storm restoration plans for 2024 and beyond may require additional volunteers. As of 10/10/22 it was agreed to pay anyone that agrees to being on the Dedicated Storm List as a T-13 Leader
